Dental Screening & Preventive Services Permission Slip

Mid-State Health Center provides in-school preventive dental services that may include cleanings, fluoride, sealants and temporary fillings. There is NO drilling or needles.

Please fill out and sign this form today. Your child should return to his/her teacher immediately.

Child's Name: _____ Sex: _____ Date of Birth: _____

Child's School: _____ Grade: _____ Teacher: _____

Address: _____

Parent/Guardian: _____ Phone Number: _____

Email Address: _____

Child's Dentist: _____

Yes, I want my child to participate and have a dental screening (twice per school year).

No, I do not want my child to participate.

In addition to the dental screening, I would like my child to receive:

Dental cleaning *twice per school year.*

Sealants *helps prevent decay.*

Application of fluoride varnish *twice per school year, makes teeth stronger.*

NEW! Decay-stopping fluoride application (Silver Diamine Fluoride) *Twice per school year to help stop a cavity from getting worse and to make it feel better. The cavity will become hard and black within 48-72 hours. Limited to back teeth.*

Temporary Fillings *No drilling is done; this type of filling is used to stop the progress of existing decay until you are able to visit a dentist for a permanent filling.*

These services are provided at no cost to you or to the school. We are able to process dental insurance if your child has coverage. If your child has dental insurance or Medicaid coverage from NH Healthy Families or Ambetter, please complete the following:

Insurer: _____ Group ID#: _____ Ins. Phone #: _____

Subscriber: _____ Subscriber ID #: _____

Does your child have any medical conditions? YES NO If yes, explain: _____

Does your child have any allergies? YES NO If yes, explain: _____

Does your child have a congenital heart defect requiring pre-medication with antibiotics before dental treatment? YES NO

Parent/Guardian Signature: _____ **Date:** _____
